

WHAT WE'VE *heard* SO FAR

Community members shared **297 IDEAS** for how to improve transportation for people riding the bus, walking, biking, and driving or parking.

Number of ideas related to each mode of transportation.

We heard many comments about improving safety for people walking and biking. We also heard a lot about improving bus service, accessibility, and walkability in the neighborhood.

-  **86** discussed safety for people walking or biking
-  **60** were about better bus service
-  **31** mentioned accessibility
-  **20** proposed new or safer crosswalks
-  **19** suggested improving sidewalks

“Better wayfinding and markers related to neighborhood history: Frederick Douglass, Melnea Cass, MLK, Eustis St, and Harriet Tubman House.”

“Crossing is dangerous and difficult on foot because of conflicts with cars.”

“Smoother roads for biking and skateboarding.”

“The Silver Line is good.”

“Blind people have a hard time crossing the street. We need countdown timers with sounds at intersections.”

“We need another crosswalk on Washington St at Ball Street.”

“Frederick Dougless Way has no stop sign at the corner of Tremont - can we add a stop sign?”

“You want enough space for kids to play and ride bikes.”

“Bumpy sidewalks on Tremont near Melnea Cass. Elderly people stay inside because the sidewalks are bumpy and hazardous.”
