

Boston College Recreation Center

April 18, 2018

Developer: Boston College
Developmental Impact Project Plan (DIPP)

General Contractor: Skanska Construction

Construction Cost: \$130,000,000

Construction Period: 03/2017 – 05/2019

Construction Monitor: Manuel Barbosa

BRJP Goals: **50% Resident** **25% People of Color** **10% Female**

Project Description:

Project is located at 200 St. Thomas More Rd, Brighton, MA. Construction of a new 240,000 gross square foot, four-story Recreation Center containing six multi-purpose courts, a natatorium with indoor lap and recreation swimming pools, three indoor tennis courts, indoor jogging track, squash/racquetball courts, weights and fitness space, multi-purpose rooms, administrative and building support space.

Boston Employment Commission: Project Review

I. Overall Numerical Compliance

Report Run Date: 04/09/18

Includes Work Records from: 03/11/17 – 04/01/18

# Workhours	# Workers	# Contractors	% Residents	% People of Color	% Female
88,694	381	16	28%	26%	5%

II. Numerical Compliance by Major Trades

Report Run Date: 04/09/18

Includes Work Records From: 03/11/17 – 04/01/18

Trade	# of Work hours	# of Workers	% Resident	% People of Color	% Female
Laborer	24,019	92	22%	28%	6%
Iron Worker	22,197	83	34%	26%	7%
Carpenter	11,006	34	38%	39%	10%
Equipment Operator	9,918	34	7%	7%	1%
Electrician	7,574	27	38%	22%	2%

III. Numerical Compliance by Major Contractor

Report Run Date: 04/09/18

Includes Work Records From: 03/11/17 – 04/01/18

Contractor	# of Work hours	# of Workers	% Resident	% People of Color	% Female
J.L Marshall & Sons	28,412	121	19%	30%	4%
<i>J.L Marshall & Sons employs Laborers, Cement Finishers, Carpenters, Equipment Operators, and Iron workers.</i>					
J. Derenzo Co.	18,062	44	23%	28%	9%
<i>J. Derenzo Co. employs Laborers and Equipment Operators.</i>					
Prime Steel Erecting	15,013	43	42%	24%	11%
<i>Prime Steel Erecting employs Iron Workers.</i>					
New England Foundation Co.	8,554	25	44%	18%	0%
<i>New England Foundation Co. employs Oilers, Laborers, Piledriver, and Equipment Operators</i>					
State Electric Co.	7,574	27	38%	22%	2%
<i>State Electric Co. employs Electrician</i>					

BRJP Highlights and Concerns:

- 48 Boston residents have been reported. 47 (98%) have been successfully verified.
- The current payroll submission time is 6 days. Payrolls that are submitted on time help monitor the project in a timely manner.
- The Project will reach its 25% completion mark for hours worked mid-April 2018.
- Plan of Action documentation has been received recently from the following sub-contractors: Thomas G. Gallagher, J.L. Marshall, and New England Foundation.
- With the most hours worked the Laborers trade for Boston Residency is at 22%. Improvements have to be made in this area for project to be successful.

RECOMMENDATIONS:

- Boston Residency needs to improve for the Laborers trade. Have all subcontractors fill out their work force documentation forms seeking to achieve employment standards. This shows us that subs are engaging with their union halls to actively diverse core crew.
- Invite business agents to upcoming pre-construction meetings to ensure sub-contractors are being pro-active in reaching employment standards prior to mobilizing on site.
- Continue to encourage subcontractors deficient in any category, to take steps to make improvements by providing information about pre-apprenticeship programs, such as Building Pathways and Youth Build.
- Please continue to make sure Boston Residents are verified prior to starting on site.

RE: BC Rec Center: BRJP Projected Goals

Jean,

We at TG Gallagher are continuing to make our best effort to seek out and employ resident, minority and female employees so that we can meet our BRJP goals set forth for this project. Recently, we added two female plumbers from Local 12 to our workforce.

For the period 6-18-17 through 1-21-2018 we have had a small crew on site for one to two days a week. Our crew size will be increasing over the next few months which will put us in a better position to meet our BRJP goals.

We will continue to work with Locals 12 and 537 to hire residents, females, & minorities as our manpower levels change.

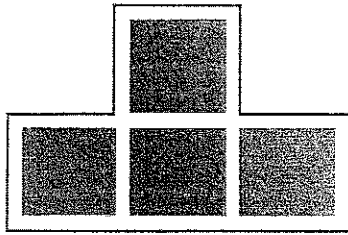

TG Gallagher is also actively involved with Building Pathways and has hired 4 recent graduates of the program. Our President/CEO Brian Potter also serves on the Building Pathways employer advisory committee.

We are committed to making every effort to improve our numbers and will continue to use all available resources to do so. If I can be of further assistance, or if additional information is required, please do not hesitate to contact me.

Sincerely,

Pat Moriarty
Project Manager

Re: Boston College Recreation Center
BRJP Plan of Action

Mr. Barbosa,

As we have progressed throughout the Boston College Recreation Center Project, we have continually reached out to our partners at the local union halls and requested Boston residents, people of color, females and apprentices with each new hire. I have attached the various letters and forms that we have utilized as documentation of these efforts.

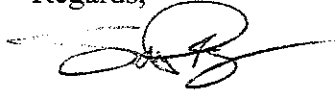

At this time, we are approximately 50% complete on the project. We have completed the foundation elements to permit the structure to be erected. We still have some foundation work inside of the structure as well as the concrete slab on deck and grade work to be completed. The majority of this work will be starting in March and continuing through the spring and into the summer of 2018.

In addition to reaching out yet again to our partners at the local union halls to alert them of the need for Boston residents, minorities and females, we are also internally coordinating the start of this work with other projects that will soon be complete. These projects that are wrapping up currently employ Boston residents, people of color and females that we are planning on transferring to the Boston College Recreation Center Project.

J.L. MARSHALL & SONS, INC.

Additionally, we are also aggressively maintaining the look ahead schedule with Skanska to optimize the chances for success to position these Boston residents, people of color and female workers on this project at the required time.

Regards,

Scott P. Bulger
Safety Director

Re: BC Recreation Center
Union Outreach Documentation

Dear Erin:

Please see the attached outreach documentation that New England Foundation Co., Inc. has sent to the unions involved on the Boston College Recreation Center project. Best faith efforts to meet the goals of 50% Residents, 25% Minority and 10% Females on this project, after allowing for key personnel, were made by making the requests to the Unions (Operating Engineers (Local 4), MA Pile Drivers (Local 56) and the MA Laborers (Local 88)) verbally, per union protocol, indicating our requirements for Boston residents, minorities and women on 30 March 2017, and then again on 2 May 2017, when the second crew started on the project. These requests are backed up by letters that we send to the unions memorializing the requests. The unions are requested to acknowledge this in writing but are not always willing to do so. Refer to the attached letters to the unions.

The goals of residents on two of the job categories of Laborers and Oilers have surpassed the 50% goal. NEFCO Operators are uniquely skilled to operate our specialized equipment safely. Unfortunately, the Laborer union was unable to provide minority laborers at the time. Given the rugged nature of our work, the only position that can be safely performed by women is the oiler. Local 4 had no women oilers available at the time.

NEFCO is reliant on the unions to send us the employees we request. However, if the requested employees are unavailable, NEFCO must hire the employees the union sends as per our Union Agreements.

Please call with any questions.

Sincerely,
NEW ENGLAND FOUNDATION CO., INC.
