Proposal

Coal chute leak repairs:

See picture below; Remove one coal chute;

Remove failed bluestone coal chute.

Block in the coal chute from the inside with block/brick.

Infill the coal chute with fill/base and concrete.

Supply and lay down sidewalk brick pavers.

Brick pavers will match the existing as close as possible.

Removal of all masonry related debris.

Clean work area daily.

Eliminate failed
coal chute

Infill

Coal chute
