

# ROSLINDALE, WE ARE INVESTING IN YOU!

## Capital Plan for Fiscal Years 2020-2024

### **\$10.2M INVESTMENT**

in our shared community spaces, including a comprehensive renovation at the Roslindale Branch of the Boston Public Library. This project will enrich library services and visitor experience through a fully accessible facility, improved signage, and increased energy efficiency.

### **\$3.5M INVESTMENT**

in equitable and accessible open spaces and parks, including:

- **\$500K** allocated for the repair and extension of the walking trail and boardwalk, wetland restoration, and improvements to flood retention capacity at the Roslindale Wetlands Trail.
- **\$3M** for artificial turf field replacements, including Pagel Playground.

### **\$1.1M INVESTMENT**

for improvements to the Sumner School yard, including upgrades to the play structure, safety surfacing, and landscaping.

*"Investing in transportation that works for everyone -- whether you walk, bike, take public transportation or drive -- is our key goal as we continue to improve transportation in Boston"*

*- Mayor Martin J. Walsh*
