## Program Description

The Engineering Program plans, designs, schedules and prepares contracts for the reconstruction of sidewalks, roadways and bridges. Engineering firms are used to supplement staff and all work is coordinated with other City and state planning agencies. Through the Public Improvement Commission, the program reviews any proposed changes on, over, or under public ways by outside groups. The program also maintains the official records of all City-owned land and streets.

# Program 4. Construction Management

**Katie Choe, Manager, Organization 311400**

## Program Description

The Construction Management Program is responsible for the construction and maintenance of the highway infrastructure of the City. Responsibilities include installing pedestrian ramps, and managing major capital improvements in business districts. Engineering and inspection is provided for reconstruction and resurfacing projects and for the permanent restoration of damaged public ways. By inspecting public ways, analyzing and programming field data and estimating recovery cost, this program seeks to minimize the damages to roadways and sidewalks by utility companies and contractors.

# Program 5. Highway Field Operations

**Michael Brohel, *Manager, Organization 311500***

## Program Description

The Highway Field Operations Program is responsible for cleaning all city streets from curb to curb, with special emphasis on high litter areas and neighborhoods with posted street cleaning times. The program maintains and empties litter receptacles in busier areas of the city, clears snow from the streets during winter, makes temporary repairs to streets and sidewalks and provides assistance to the Recycling Program. The program also provides graffiti services and cleans and maintains the Boston Freedom Trail.

# External Funds Projects

## Home Composting

### **Project Mission**

This revolving account was started with a grant from the State Department of Environmental Protection and uses yard waste materials from community gardens to create compost. The compost is sold and the proceeds were used to buy compost bins, which are also sold to residential gardeners, along with compost.

## MRIP (Municipal Recycling Incentive Program)

### **Project Mission**

MRIP is a program of the DEP. The goal of the program is to increase municipal recycling, safely dispose of universal wastes (such as CRT's, mercury, paint and auto supplies) and develop a way to recover and reuse materials such as paper, cardboard and leaf and yard waste.

# Public Works Department Capital Budget

## Overview

This Capital Plan invests deeply in the core goals of Go Boston 2030: streets that are safer for all users of our roads and sidewalks, particularly pedestrians and cyclists; travel that is more reliable and predictable, and quality transportation choices that improve access to interconnect Boston neighborhoods for all modes of travel.

### FY18 Major Initiatives

- Walkable Streets will focus on longer, contiguous sections of sidewalks to improve overall mobility.
- Construction will begin in Hyde Square to reconstruct Centre Street with wider sidewalks, new lighting, pedestrian safety improvements and the installation of public art.
- Construction will begin on the streets and sidewalks in and around North Square.
- Construction will be completed on the multi-year Connect Historic Boston project.
- The reconstruction and installation of pedestrian ramps on sidewalks will continue throughout the City, to improve accessibility.
- Design processes with community input for major neighborhood improvements at Commonwealth Avenue Phase 3 & 4 in Brighton will continue.
- Whittier Street housing redevelopment roadways supporting recent \$30 million HUD grant to the Boston Housing Authority to revitalize the housing development and surrounding neighborhood.
- Elevator improvements are planned at the Central Maintenance Facility as well as improved water service.
- Construction is expected to begin on a new North Washington Street Bridge.
- Ongoing roadway reconstruction, resurfacing, and sidewalk repairs are planned throughout the City.

# Transportation Department Operating Budget

Gina Fiandaca, *Commissioner*, Appropriation 251

## Department Mission

The mission of the Boston Transportation Department is to promote public safety, manage the City's transportation network, and enhance the quality of life for residents of our City neighborhoods. Accomplishment of our mission is ensured through the use of planning, coordinated engineering, education and enforcement. The Transportation Department strives to improve circulation in and around the City, enhance public transportation services, gain efficiencies in the management of parking resources, adjudicate and collect fines, collaborate with relevant agencies and encourage the use of alternate transportation modes.

## Selected Performance Strategies

### Parking Clerk

- Encourage multimodal, active transportation.
- Provide people-focused service.

### Traffic Management & Engineering

- Design, construct, and maintain streetscapes that prioritize moving people safely.
- Encourage multimodal, active transportation.

### Policy & Planning

- Design, construct, and maintain streetscapes that prioritize moving people safely.

### Enforcement

- Design, construct, and maintain streetscapes that prioritize moving people safely.

### Operations

- Enhance Boston's walkability and neighborhood interconnectedness.
- To efficiently maintain traffic signs and parking meters throughout the city.

## **Description of Services**

The Transportation Department regulates traffic and parking for 802 miles of roadway and 3,708 public streets. In order to ensure an efficient yet safe flow of traffic and to balance competing demands for parking resources, the Department enforces 42 parking regulations, maintains and collects from the City's 7,100 parking meters, and annually replaces or repairs several thousand of the City's 300,000 street and traffic signs. The Department also continually responds to the changing transportation needs of the City and its neighborhoods by re-evaluating traffic patterns, increasing parking enforcement in response to neighborhood requests, incorporating the City's interests into state and federal roadway developments, and working to promote alternative modes of transportation for commuters.

# Traffic Division Operating Budget

**Gina Fiandaca, Commissioner, Appropriation 251**

## Division Mission

The Traffic Division's mission is to develop, implement, support, and manage all transportation programs and projects undertaken by the Department. These programs and projects emphasize the smooth and safe flow of vehicular traffic through the streets of the City, cooperative work efforts with the MBTA to enhance mass transit, maximum utilization of the City's limited parking resources, and pedestrian safety.

## Selected Performance Strategies

### Traffic Management & Engineering

- Design, construct, and maintain streetscapes that prioritize moving people safely.
- Encourage multimodal, active transportation.

### Policy & Planning

- Design, construct, and maintain streetscapes that prioritize moving people safely.

### Enforcement

- Design, construct, and maintain streetscapes that prioritize moving people safely.

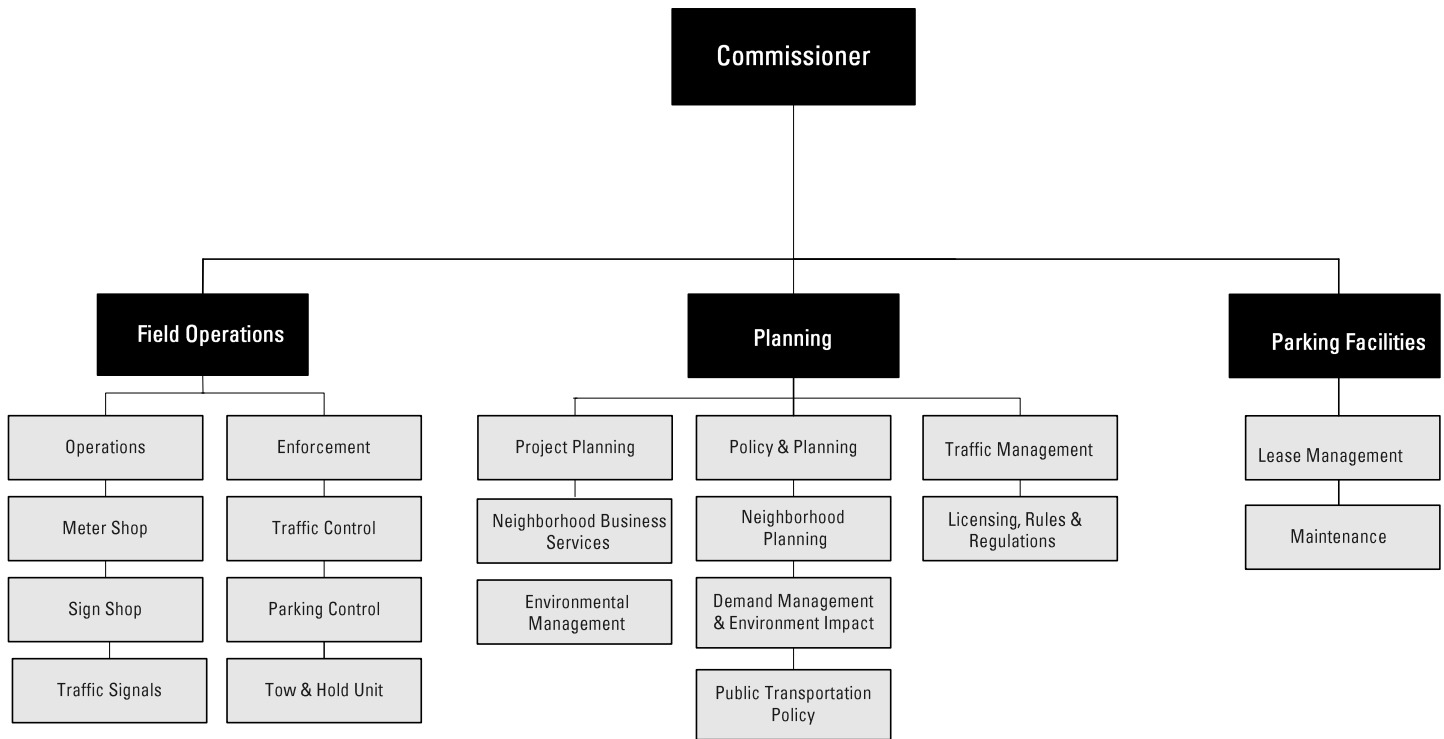

### Operations

- Enhance Boston's walkability and neighborhood interconnectedness.
- To efficiently maintain traffic signs and parking meters throughout the city.

# Traffic Division Operating Budget

## Description of Services

The Traffic Division establishes and maintains a wide variety of programs to enhance transportation throughout Boston. The Division delivers such services as increased loading zone access for the delivery of goods and services, increased short-term parking opportunities and resident restricted parking spaces, efficient flow of vehicular traffic during peak periods, removal and disposal of abandoned vehicles, computerization of traffic signals, and traffic planning and engineering for the design or redesign of streets and intersections. The Division also provides clean, safe, and convenient parking facilities downtown and in neighborhood business districts. Provision of this service includes inspections, cleaning and renovations of facilities and enforcing existing parking leases.

# Program 1. Commissioner's Office

**Gina Fiandaca, Commissioner, Organization 251100**

## Program Description

The Commissioner's Office is responsible for establishing and managing a wide variety of programs to enhance transportation throughout Boston. The office advocates for alternative financing for the administration of transportation programs including federal and state grants as well as public/private partnerships.

# Program 2. Traffic Management & Engineering

**John DeBenedictis, *Manager*, Organization 251200**

## Program Description

The Traffic Management and Engineering Program manages Boston's transportation network to provide safe, efficient travel throughout the City. This is accomplished through maintenance of traffic signal timings using the City's computerized traffic signal system; design and review of new/upgraded traffic signal installations; review of proposed roadway and transit projects, review and approval of private development plans; licensing of on-street construction; permitting of special events; review and modification of existing parking rules and regulations; and working with neighborhood groups to improve traffic and pedestrian safety on residential streets.

# Program 3. Policy & Planning

**Vineet Gupta, Manager, Organization 251300**

## Program Description

The Policy and Planning Division provides planning services leading to more effective engineering, construction and management of the city's transportation networks and initiates new projects to support the department's mission. Through extensive community process and coordination with city and state agencies, the division encourages the use of alternative modes, enhances pedestrian safety, addresses neighborhood traffic and parking concerns, reviews new development projects and proposes long-term strategies. The division also includes bicycle programs.

# Program 4. Enforcement

**Bradley Gerratt, *Manager*, Organization 251400**

## Program Description

The Enforcement Program enhances public safety, improves traffic flow, and promotes parking opportunities and curbside access by encouraging compliance with the City's rules and regulations through issuance of citations and towing of illegally parked vehicles.

# Program 5. Operations

**Bradley Gerratt, *Manager*, Organization 251500**

## Program Description

The Operations Program promotes public safety through the maintenance of and regulatory signage and traffic signals on City roadways, and coordination of special events effecting traffic and parking in the City. Operations also supports economic development in the City by encouraging efficient use of short-term on-street parking through the maintenance of parking meters.

# Parking Clerk Operating Budget

**Stephen McGuire, Interim Assistant Parking Clerk, Appropriation 253**

## Division Mission

The Office of the Parking Clerk's primary mission is to respond effectively to public inquiries about parking tickets, resolve any disagreements through an adjudication process, and to deter illegal parking by successfully collecting parking violation fines. The Office is also responsible for adjudicating and collecting fines on abandoned vehicles and for administering resident parking permits.

## Selected Performance Strategies

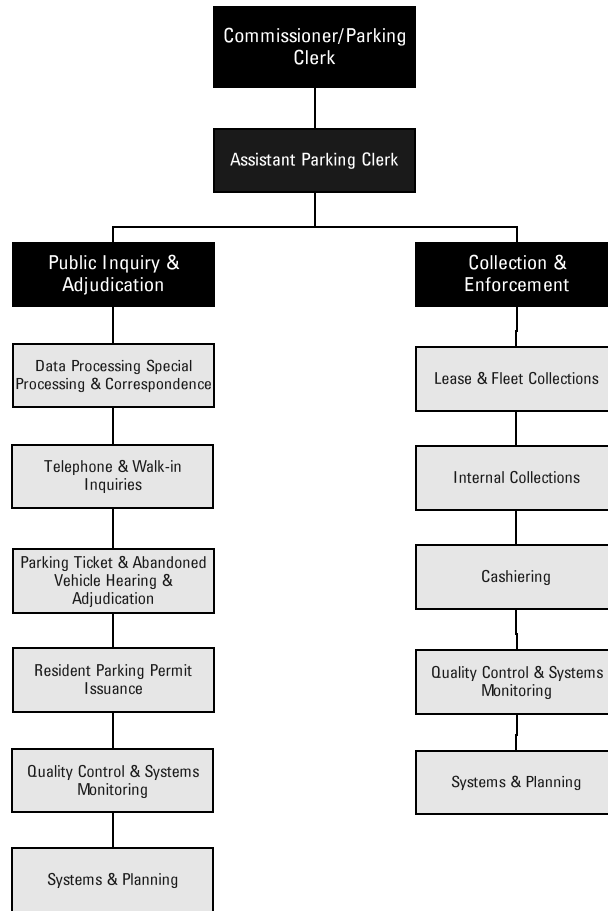

### Parking Clerk

- Encourage multimodal, active transportation.
- Provide people-focused service.

# Parking Clerk Operating Budget

## Description of Services

The Office of the Parking Clerk oversees and operates a number of major components of the City's Parking Violation System (PVS). The PVS is a high volume, complex operation involving numerous computer-based systems that support all elements relating to parking tickets from design, procurement, and processing of tickets, through providing responses to public inquiries, adjudication, collection, and final disposition. Parking permits for neighborhood residents are issued by the Office of the Parking Clerk.

# External Funds Projects

## Boston Bike Share

### Project Mission

Various funding sources will support the Boston Bike Share program, including grants from the Federal Transit Authority, sponsorship donations, funds from the Boston Public Health Commission's ARRA grant, the BARR Foundation and other state funding sources. The program began in FY12 and has 1,092 bicycles at publically accessible stations for member use.

## Boston Mobility Action Plan

### Project Mission

The Mobility Plan will develop a long term vision to guide transportation policy and investments coupled with an action plan of projects. BARR funding supports a full time position for 2 years starting in FY15 to manage an ongoing capital program. The grant ends in Fy17.

## Connect Historic Boston

### Project Mission

The National Park Service funded the creation of an intermodal design plan to connect visitors from regional transportation systems and existing bicycle and pedestrian paths to National Park sites and the Boston Harbor Islands. The design was completed in FY14.

## Parking Facilities Fund

### Project Mission

The City owns and operates several revenue producing parking lots. The resulting revenue from these lots goes into the fund to support their non-personnel operating expenses. This is an ongoing revolving account.

## Traffic Management Center

### Project Mission

The Traffic Management Center grant will provide new financial resources to expand operational coverage in order to fully utilize existing technology and help monitor and improve the flow of traffic through the City. Funding has been provided thru FY18 by the Federal Highway Administration and Massachusetts Executive Office of Transportation and Construction.

# Transportation Department Capital Budget

## Overview

This Capital Plan invests deeply in the core goals of Go Boston 2030: streets that are safer for all users of our roads and sidewalks, particularly pedestrians and cyclists; travel that is more reliable and predictable, and quality transportation choices that improve access to interconnect Boston neighborhoods for all modes of travel.

### FY18 Major Initiatives

- Vision Zero will continue to deliver safety on Boston's streets. Programs include Priority Corridors and Safe Crossings.
- Implement Neighborhood Slow Streets projects in Stonybrook (Jamaica Plain) and the Talbot Norfolk Triangle (Dorchester).
- The reconstruction of Central Square in East Boston will be completed. This project will improve multimodal transportation flows as well as storm water runoff.
- Design of the reconstruction of Melnea Cass Boulevard will continue.
- New traffic safety improvements are scheduled at Father Hart Bridge and Wolcott Square in Hyde Park.
- Installation of new traffic signals at American Legion at Plaza Driveway, Newbury Street at Fairfield, Geneva Ave. at Olney, and Blue Hill Ave. at Castlegate Rd.
- A multi-year effort begins that will renew all painted crosswalks, lane markings, and bike lanes.
