NOTICE OF PUBLIC HEARING

The **BOSTON LANDMARKS COMMISSION** will hold a public hearing **BOSTON, MA**

DATE: Tuesday, 26 November 2019
TIME: 4:00 P.M.
PLACE: Boston City Hall, Room 900

Subject of the Business Meeting/Public Hearing will be action on the agenda below, and such other business as may come before the Commission in accordance with Chapter 772 of the Acts of 1975, as amended. Applications are available for public inspection, by appointment during business hours at the offices of the Environment Department. Applicants or their representatives are required to attend, unless otherwise indicated below. Sign language interpreters are available upon request.

After 5:30 PM, enter and exit City Hall at the Dock Square entrance on Congress Street (across from Faneuil Hall).

I. **DESIGN REVIEW HEARING 4:00 P.M.**

20.540.145 James Michael Curley House, 350 Jamaica Way

Applicant: Margaret Dyson, George Robert White Fund

Proposed work: Installation of exit signs and emergency lighting to comply with fire code including: exterior lighting at front entry door, side entry door, kitchen door and fire escape at rear of building; three interior exit signs at main entry, second and third stories; and three interior emergency lights at hallway and stairs.

20.583.99 Boston Public Library, 700 Boylston Street

Applicant: Emily Tokarczyk, Boston Public Library

Applicant: Mike Andrews, Cafco Construction Management, LLC

Proposed work: Replace existing window with double door entrance on the Devonshire/Water Street corner, first-story retail space.

20.552.250.14 Winthrop-Carter Building, 1 Water Street

Applicant: Dick Koenig, Elaine Construction Company

Proposed work: Roof replacement and related work including replacing membrane roof, installing new coated aluminum roof fascia, installing copper cladding at elevator headhouse, replacing galvanized steel stairway to penthouse elevator room in-kind, adding galvanized steel ladder to northwest side of penthouse, and removing bubble skylight.

20.538.223.07 Christian Science Center Complex, 175-235 Huntington Avenue

Applicant: Brooke Ten Eyck, The First Church of Christ, Scientist

Proposed work: Installation of five safety bollards at top of spiral ramp at garage exit.

20.539.223.07 Christian Science Center Complex, 250 Massachusetts Avenue

Applicant: Brooke Ten Eyck, The First Church of Christ, Scientist

Proposed work: Complete final phases of restoration work at church dome, drum and cupola; and portico and west façade.

- ii. **ADMINISTRATIVE REVIEW/APPROVAL:** In order to expedite the review process, the commission has delegated the approval of certain work items, such as those involving ordinary maintenance and repair, restoration or replacement, or which otherwise have a minimal impact on a building's appearance, to commission staff pending ratification at its monthly public hearing. **Having been identified as meeting these eligibility criteria and all applicable guidelines, the following applications will be approved at this hearing:**

► Applicants whose projects are listed under this heading **NEED NOT APPEAR** at the hearing.

Following the hearing, you will be issued a Determination Sheet to present at the Inspectional Services Department (1010 Massachusetts Avenue) as proof of project approval when applying for permits. ISD personnel will send an electronic copy of your building-permit application to the commission staff for review. (To avoid potential confusion, the text of your building-permit application should be consistent with the project description given below.) Commission staff will accordingly authorize the execution of the work, attaching any applicable provisos, reflecting the relevant guidelines and precedents.

► **PLEASE NOTE THAT FOLLOWING ISSUANCE OF THE DETERMINATION SHEET NO FURTHER CORRESPONDENCE WILL BE ISSUED** for the applications listed below. The electronic building-permit application as annotated by commission staff will constitute your Certificate of Appropriateness; this will be valid for two years from the date of the hearing. The applicant is required to notify the commission of any project changes; failure to do so may affect the status of the approval.

If you have any questions not addressed by the above information, please contact staff at 617.635.3850 or BLC@boston.gov. Thank you.

20.562.247.12 228-230 Centre Street, Epiphany School (Industrial School for Girls)

Applicant: Stefan Rosellini, Boston Solar

Proposed work: At new building install rooftop solar array to supplement existing rooftop solar array.
