

Have you heard about **CONNECT DOWNTOWN?**

Connect Downtown is the City of Boston's project to improve walking, bicycling, and transit connections in many of our downtown neighborhoods. Our goal is better connections to jobs, education, retail, and parklands.

We are re-designing streets in the Back Bay, Bay Village, Beacon Hill, Chinatown, Downtown, the South End, and the West End.

GET INVOLVED

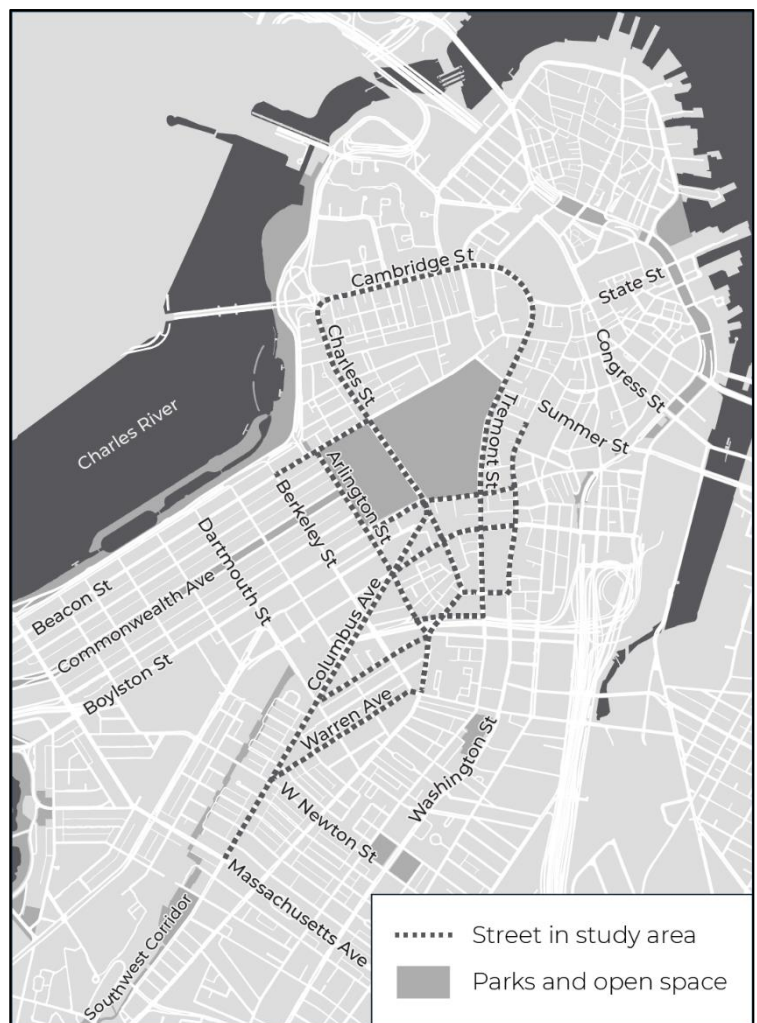

This winter and spring, we are hosting **Office Hours** for Connect Downtown. We invite you to drop by to ask us questions, give feedback, and review project materials. Please see the other side of this page for dates and locations.
