

Cummins Hwy Public Meeting #1 Survey

April 11, 2019

This survey and the plans are also available online @

<https://www.boston.gov/departments/public-works/public-works-engineering-division-projects/cummins-highway-redesign>

Thank you for attending the Cummins Hwy workshop! Please take some time to listen to our presentation and review the boards which identify possible design options for Cummins Hwy; between River Street and Harvard Street/Wood Avenue Intersection. All proposed improvements will be limited to within the public right-of-way. Please provide your feedback and ideas to improve safety on this corridor.

General Information

My interest in Cummins Hwy (check all that apply):

I live within 4 blocks of Cummins Hwy

I work within 4 blocks of Cummins Hwy

I go to school within 4 blocks of Cummins Hwy

I shop in the area

I live on Cummins Hwy-within the project limits

I commute using Cummins Hwy

Other (specify): _____

How do you travel along Cummins Hwy (check all that apply)?:

Walk

Bicycle

Bus

Drive

Do you regularly park a vehicle on Cummins Hwy?:

Yes

No

Please provide feedback on the preliminary design options (available for review at

<https://www.boston.gov/departments/public-works/public-works-engineering-division/projects/cummins-highway-redesign>

Existing Conditions: What are your concerns? (Select all that apply.)

- | | |
|---|------------------------------------|
| <input type="checkbox"/> Speeding | <input type="checkbox"/> Safety |
| <input type="checkbox"/> Walking | <input type="checkbox"/> Lighting |
| <input type="checkbox"/> Driving | <input type="checkbox"/> Sidewalks |
| <input type="checkbox"/> Bicycle Accommodations | <input type="checkbox"/> Other |

Please, comment below on your selected concerns:

Conceptual Design Opportunities: What project opportunities would you like to see implemented? Where? (Select all that apply.)

- | | |
|---|--|
| <input type="checkbox"/> Traffic Calming | <input type="checkbox"/> Bicycle Accommodations |
| <input type="checkbox"/> Bus Stops/Shelters | <input type="checkbox"/> Street Lighting |
| <input type="checkbox"/> Accessibility | <input type="checkbox"/> Stormwater/Green Infrastructure |
| <input type="checkbox"/> Street Trees | <input type="checkbox"/> Public Art |
| <input type="checkbox"/> Street Furniture (benches, bike racks, etc.) | |

Please, comment below on your selected opportunities:

Road Diet (Lane Reduction): What are your concerns? (Select all that apply.)

What are your concerns?

- Parking
- Vehicle Safety
- Pedestrian Safety
- Bicycle Safety
- Traffic Congestion
- Travel Delay
- Speeding
- Turning
- Having a Median in the Roadway
- Without and Median in Roadway
- Other (Specify)

What do feel are the potential benefits?

- Vehicle Safety
- Pedestrian Safety
- Enhanced Bicycle Safety
- Turning
- Reduced Speeds/Traffic Calming
- Shorter Pedestrian Crossings
- More Sidewalk Space
- Greenspace
- Having a Median in the Roadway
- Without and Median in Roadway
- Other (Specify)

Please, comment below on your selected choice(s):

Cummins Hwy and Greenfield Road Intersection - Existing Conditions: What are your concerns? (Select all that apply.)

- Speeding
- Vehicle Safety
- Pedestrian Safety
- Bicycle Safety
- Turning
- Visibility
- Other (Specify)

Please, comment below on your selected choice(s):

Cummins Hwy and Greenfield Road Intersection – Signalized Intersection Concept (Select all that apply.)

What are your concerns?

- Parking
- Vehicle Safety
- Pedestrian Safety
- Bicycle Safety
- Traffic Congestion
- Travel Delay
- Speeding
- Turning
- Other (Specify)

What do you feel are the potential benefits?

- Vehicle Safety
- Pedestrian Safety
- Bicycle Safety
- Turning
- Reduced Speeds/Traffic Calming
- Other (Specify)

Please, comment below on your selected choice(s):

Cummins Hwy and Greenfield Road Intersection – Roundabout Concept (Select all that apply.)

What are your concerns?

- Parking
- Vehicle Safety
- Pedestrian Safety
- Bicycle Safety
- Traffic Congestion
- Travel Delay
- Speeding
- Turning
- Other (Specify)

What do you feel are the potential benefits?

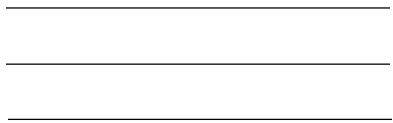

- Vehicle Safety
- Pedestrian Safety
- Bicycle Safety
- Turning
- Reduced Speeds/Traffic Calming
- Greenspace
- Public Art
- Other (Specify)

Please, comment below on your selected choice(s):

Overall ideas you like about the project:

Overall concerns you have about the project:
