	1	1	Verizon FiOS Channel 962. It's also live streamed at
1		2	boston.gov/cable.
2		3	Prior to starting today's meeting, I would
3		4	like to acknowledge as we are I guess on the one year
4		10:04:56AM 5	anniversary now of the Covid 19 pandemic that Boston's
6		6	cable providers have been very helpful to the city of
7		7	Boston over the last year.
8		8	They have maintained the FCC's Keep America
9	CITY OF BOSTON HEARING FOR THE RENEWAL	9	Connected pledge of broadband and wireless providers.
10	OF THE OPEN VIDEO SYSTEMS OF RCN TELECOM SERVICES OF MASS. LLC	10:05:13AM 10	All three have offered versions of affordable broadband
12		11	to City residents. RCN and Comcast both offer senior
13	AND THE LICENSE TRANSFER APPLICATION	12	discount programs for cable TV and all three providers
14	FOR STONEPEAK INFRASTRUCTURE PARTNERS	13	contribute to a robust City network (Pronet), which we
15		14	use for city services, public safety, schools, libraries
16 17	HELD ON WEDNESDAY, MARCH 17, 2021 (Via Webex, Boston.gov and Boston City TV)	10:05:33AM 15	and more.
18		16	This is at this point the start of the city of
19	RCN OPEN VIDEO LICENSE TRANSFER AND RENEWAL HEARING	17	Boston hearing for renewal and license transfer for RCN.
20	Hosted by Michael Lynch	18	And the transfer request is being made by Stonepeak
21		10	Infrastructure Partners.
23		10:05:51AM 20	Lastly, among the participants today is
24		10:05:51AM 20 21	general manager Glenn William from Boston Neighborhood
		22	Network Media. Some of you may know BNN Media as the
		22	Boston Community Access and Programming Foundation.
		23	Welcome, Glenn.

They are quite similarly as delineated here: *the managerial experience *the technical expertise	2 3 4 10:12:39AM 5 6	about what this means for Boston. Let's move to the next slide. Let's start by what this means with the city of Boston. Again, this really doesn't mean anything at all because it is an indirect transfer of the ultimate owner of RCN. And what I mean by that is that RCN is
2 3 4 10.09:13AM 5 6 7	state and federal rules, as well as the City license that are considered in determining a request for transfer of ownership. They are quite similarly as delineated here: *the managerial experience *the technical expertise *the financial capability	2 3 4 10:12:39AM 5 6 7	about what this means for Boston. Let's move to the next slide. Let's start by what this means with the city of Boston. Again, this really doesn't mean anything at all because it is an indirect transfer of the ultimate owner of RCN. And what I mean by that is that RCN is going to remain. RCN is going to remain the franchisee.
2 3 4 10:09:13AM 5 6 7 8	state and federal rules, as well as the City license that are considered in determining a request for transfer of ownership. They are quite similarly as delineated here: *the managerial experience *the technical expertise *the financial capability *and the legal ability to operate the system.	2 3 4 10:12:39AM 5 6 7 8	about what this means for Boston. Let's move to the next slide. Let's start by what this means with the city of Boston. Again, this really doesn't mean anything at all because it is an indirect transfer of the ultimate owner of RCN. And what I mean by that is that RCN is going to remain. RCN is going to remain the franchisee. RCN itself is going to retain responsibility for
2 3 4 10.09:134M 5 6 7 8 9	state and federal rules, as well as the City license that are considered in determining a request for transfer of ownership. They are quite similarly as delineated here: *the managerial experience *the technical expertise *the financial capability *and the legal ability to operate the system. Today, the presenters for RCN and Stonepeak	2 3 4 10.12.39AM 5 6 7 8 9	about what this means for Boston. Let's move to the next slide. Let's start by what this means with the city of Boston. Again, this really doesn't mean anything at all because it is an indirect transfer of the ultimate owner of RCN. And what I mean by that is that RCN is going to remain. RCN is going to remain the franchisee. RCN itself is going to retain responsibility for compliance.
2 3 4 10.02-13AM 5 6 7 8 9 10.02-31AM 10	state and federal rules, as well as the City license that are considered in determining a request for transfer of ownership. They are quite similarly as delineated here: *the managerial experience *the technical expertise *the financial capability *and the legal ability to operate the system. Today, the presenters for RCN and Stonepeak will address how the system might change, who is	2 3 4 10:12:39AM 5 6 7 8 9 10:12:57AM 10	about what this means for Boston. Let's move to the next slide. Let's start by what this means with the city of Boston. Again, this really doesn't mean anything at all because it is an indirect transfer of the ultimate owner of RCN. And what I mean by that is that RCN is going to remain. RCN is going to remain the franchisee. RCN itself is going to retain responsibility for compliance. And so RCN itself isn't going anywhere, it's
2 3 4 10.09:13AM 5 6 7 8 9 10.09:31AM 10 11	state and federal rules, as well as the City license that are considered in determining a request for transfer of ownership. They are quite similarly as delineated here: *the managerial experience *the technical expertise *the financial capability *and the legal ability to operate the system. Today, the presenters for RCN and Stonepeak will address how the system might change, who is Stonepeak Infrastructure, how the transaction is being	2 3 4 10.12.39AM 5 6 7 8 9 10.12.57AM 10 11	about what this means for Boston. Let's move to the next slide. Let's start by what this means with the city of Boston. Again, this really doesn't mean anything at all because it is an indirect transfer of the ultimate owner of RCN. And what I mean by that is that RCN is going to remain. RCN is going to remain the franchisee. RCN itself is going to retain responsibility for compliance. And so RCN itself isn't going anywhere, it's just going to be owned by somebody different. And what
2 3 4 10:09:13AM 5 6 7 8 9 10:09:31AM 10 11 12	state and federal rules, as well as the City license that are considered in determining a request for transfer of ownership. They are quite similarly as delineated here: *the managerial experience *the technical expertise *the financial capability *and the legal ability to operate the system. Today, the presenters for RCN and Stonepeak will address how the system might change, who is Stonepeak Infrastructure, how the transaction is being financed, who will manage and run the system. I believe	2 3 4 10:12:39AM 5 6 7 8 9 10:12:57AM 10 11 12	about what this means for Boston. Let's move to the next slide. Let's start by what this means with the city of Boston. Again, this really doesn't mean anything at all because it is an indirect transfer of the ultimate owner of RCN. And what I mean by that is that RCN is going to remain. RCN is going to remain the franchisee. RCN itself is going to retain responsibility for compliance. And so RCN itself isn't going anywhere, it's just going to be owned by somebody different. And what I think that means is in terms of the legal ability to
2 3 4 10.09:13AM 5 6 7 8 9 10:09:31AM 10 11 12 13	state and federal rules, as well as the City license that are considered in determining a request for transfer of ownership. They are quite similarly as delineated here: *the managerial experience *the technical expertise *the tinancial capability *and the legal ability to operate the system. Today, the presenters for RCN and Stonepeak will address how the system might change, who is Stonepeak Infrastructure, how the transaction is being financed, who will manage and run the system. I believe that is Patriot Media Group. And what are the benefits	2 3 4 10.12.39AM 5 6 7 8 9 10.12.57AM 10 11 12 13	about what this means for Boston. Let's move to the next slide. Let's start by what this means with the city of Boston. Again, this really doesn't mean anything at all because it is an indirect transfer of the ultimate owner of RCN. And what I mean by that is that RCN is going to remain. RCN is going to remain the franchisee. RCN itself is going to retain responsibility for compliance. And so RCN itself isn't going anywhere, it's just going to be owned by somebody different. And what I think that means is in terms of the legal ability to operate a cable system and RCN itself has its own
2 3 4 10:09:13AM 5 6 7 8 9 10:09:31AM 10 11 12 13 14	state and federal rules, as well as the City license that are considered in determining a request for transfer of ownership. They are quite similarly as delineated here: *the managerial experience *the technical expertise *the financial capability *and the legal ability to operate the system. Today, the presenters for RCN and Stonepeak will address how the system might change, who is Stonepeak Infrastructure, how the transaction is being financed, who will manage and run the system. I believe that is Patriot Media Group. And what are the benefits of the transaction. By the benefits, I mean to the City	2 3 4 10:12:39AM 5 6 7 8 9 10:12:57AM 10 11 12 13 14	about what this means for Boston. Let's move to the next slide. What does this mean for Boston subscribers in the short-term? Again, nothing at all. There are some

	9		11
1	work.	1	That's my little presentation. I think I made
2	This is not the case. Stonepeak chose this	2	it under five minutes, but I'm delighted to answer any
3	investment in part because it thinks that RCN is a very	3	questions anyone has or in any order the City would like
4	well run system. It thinks its operations are excellent	4	to proceed.
10:14:12AM 5	and thinks its management is excellent. There are no	10:17:21AM 5	MR. LEDERER: If I could, Mike, I would
6	plans to change the operations materially or to change	6	like to clarify one point that you made. Everything you
7	the management, including Tom Steele.	7	said is absolutely true. I just want to make clear that
8	And so again, legally what this means is that	8	the audit was not conducted by Stonepeak or by RCN. It
9	we can rely on the existing management in terms of the	9	was conducted by an independent auditor that the city of
10:14:30AM 10	media, in terms of the management qualifications within	10:17:40AM 10	Boston engaged.
11	our cable system and the technical qualifications for	11	We actually engaged this auditor with the
12	our cable system. Because the same folks are going to	12	three other major metropolitan areas that are going
13	be there tomorrow that are there today.	13	through the same transaction. So we joined with the
14	One more in, please. Look, in the longer	14	city of Seattle, Washington, Washington D.C., and
10:14:49AM 15	term, however, I think there are significant public	10:17:57AM 15	Montgomery County, Maryland, which is a large urban
16	interest benefits here. Because Stonepeak, again unlike	16	county just outside of D.C., to have a forensic auditor
17	some other private equity firms, has a demonstrated	17	go through all the paperwork, all the corporate
18	history of holding onto its assets a little longer and	18	transactions.
19	providing them with resources.	19	It's not something that Michael Lynch or I
10:15:06AM 20	And that's how it gets its portfolio of	10:18:10AM 20	really have an expertise in. In fact, that came back
21	companies to grow and that's how Stonepeak kind of is	21	with a clean report. Our auditor suggested that there
22	able to do good by its investors. So I think the plan	22	were a couple of safeguards that we might want to put in
23	and the ultimate goal here is to make additional	23	place. And Stonepeak has agreed to those, as Michael
24	resources available to RCN to improve it.	24	mentioned.
	10		12
1	I'm not here today to say exactly where those	1	Have we signed the document, no. But you will
2	resources might be directed, nor am I here to tell you	2	
-			see the document as part of the final transfer agreement
3	exactly sort of how much those resources are going to	3	which we are committed to putting on the Boston web
4	exactly sort of how much those resources are going to be. Part of that depends on the co-invest process and a	4	which we are committed to putting on the Boston web page. That was my only clarification.
4 10:15:43AM 5	exactly sort of how much those resources are going to be. Part of that depends on the co-invest process and a lot of different things that have yet to occur.	4 10:18:39AM 5	which we are committed to putting on the Boston web page. 	17		19
1	many Boston residents over these many years. This	1	offering better cost to that client.
2	support should continue on a level funded basis to	2	RCN has also provided fiber to the City's
3	ensure a level playing field is maintained going	3	network to approximately ten city facilities, and it has
4	forward. For allowing me to spend a couple of minutes	4	built a video return for the Boston City Council's cable
10:25:48AM 5	with you. I appreciate it. Thank you very much for	10:28:59AM 5	cast facilities and has offered Channel 82 as a fifth
6	your patience and attention.	6	access programing channel for government use by the City
7	MR. LYNCH: Thank you. We appreciate that	7	Council.
8	contribution. At this time I would like to prepare and	8	As you just heard from Glenn and some
9	check with the City if there are any public comments	9	clarification from Gerry, at this point the City is
10:26:12AM 10	that need to be made. I believe everyone knows from the	10:29:16AM 10	asking, as Boston Neighborhood has suggested, the
11	notices there is an opportunity for written public	11	availability of high definition (HD) television channel
12	comment.	12	access for community access television know for the two
13	MR. LEDERER: I want to clarify for	13	channels, community and news information.
14	everyone listening as well as the representatives of RCN	14	We recognize that RCN has expanded in
10:26:32AM 15	and Stonepeak that the request from BNN for our	10:29:33AM 15	Dorchester with capital investment utilizing existing
16	programing to be delivered in HD TV is a request that is	16	stranded plant over the last I believe eight years. And
17	being made in the renewal process. It's not part of the	17	RCN has offered two fiber strands between Bedford Street
18	transfer process.	18	at Eversource and at 43 Hawkins to interact different
19	We are doing them together, but it's one of	19	fiber networks available conduct to the City.
10:26:54AM 20	these silly things where just for legal purposes we need	10:29:55AM 20	Tom, I was just going to acknowledge that if
21	to make clear what's going on. Were the city to deny	21	we understand these correctly and that these are
22	the transfer, we would not want anyone to claim that the	22	elements of the renewed license that will continue for
23	denial was based upon an RCN refusal to provide HD TV.	23	the benefit of the City of Boston?
24	The HD TV request is being pursued on behalf	24	MR. STEEL: Yes. You said that well. We
	18		20
1	of BNN and the residents of Boston, but it is being	1	definitely agree.
2	pursued as part of the renewal process, not the transfer	2	MR. LYNCH: Very good. Gerry, I know we
3	process. And we expect to hear good news on both	3	have a series of questions and the reporter is prepared.
4	fronts, but I need to make that clear for the record.	4	Are any questions at this time that you would like to
10:27:33AM 5	MR. LYNCH: Thanks, Gerry, much	10:30:26AM 5	ask?
6	appreciated. Actually, we have a series of questions,	6	MR. LEDERER: No. I'm very satisfied with
7	Tom and Michael, that we would like to ask Patriot Media	7	both the presentations and with the clarification. At
8	Group, RCN and probably the petitioning ownership group	8	the risk of being a bad negotiator, I would like to
9	regarding the renewal.	9	publicly thank Tom.
10:27:50AM 10 11	There are a series of commitments RCN has made	10:30:53AM 10 11	What we just asked for are significant
12	over the years to Boston, and we would like to clarify them now. As mentioned at the front end of the hearing,	12	benefits and you're them. Those are significant commitments on behalf of the city of Boston.
12	RCN serves about ten to 20,000 customers in eight of	12	MR. STEEL: In response to Glenn's
14	Boston's neighborhoods under this comprehensive open	14	request, we would be willing and happy to provide two HD
10:28:05AM 15	video system agreement with the City.	10:31:28AM 15	channels for BNN for the city as part of the renewal.
10228.05AM 10	RCN's presence here in Boston offers not only	10.31.20400 10	MR. LEDERER: As a representative of the
10	cable TV but also high speed internet and phone	10	end users, Tom, I can't tell you how much I appreciate
18	services, and it has been able to provide residents with	18	that. We have got response from people who have said
19	some limited competitive choice of cable, internet and	19	things like, It would be nice if I could see that
10:28:22AM 20	phone service in these areas.	10:31:47AM 20	performance or see the kids' artwork that's being
21	Under existing Boston terms, RCN has sustained	21	displayed at some galleries and stuff in better
22	a \$10 a month basic rate for seniors and an overall	22	definition.
23	basic rate of 17.50. In addition to that, RCN has	23	This is a large step forward, and we are
24	partnered with the Mayor's Wicked Free Wifi Initiative	24	grateful and very appreciative of that.

Page 17 to 20 of 24

	21		23
1		1	With that, I would like to close the video
2	MR. LYNCH: I think we have one question from a citizen, Michael Bennett. We will have to reach	2	
3	out to Mr. Bennett to answer the question in writing.	3	section of the public hearing leaving the record open until Friday. And after the close of business Friday,
4	We have left the record open until March 19. We will	4	we will be posting new materials on the City's website
_	conclude at that time.	-	on the link you see on your screen. Thank you all.
10:32:45AM 5	At this point, unless someone has closing	10:35:48AM D	(Whereupon the hearing was concluded at
7	comments, I believe we will close this video portion of	7	10:35 a.m.)
8	the hearing leaving the record open until the close of	8	10.35 d.m.)
9	business on Friday.	9	
10:32:58AM 10	Tom, anything in closing?	10	
11	MR. LEDERER: Boston has a limited amount	11	
12	of time, exactly 120 days, to either approve or	12	
13	disapprove the transfer. If we do nothing, then the	13	
14	transfer is deemed granted by the federal government.	14	
10:33:28AM 15	Mr. Nilsson and Mr. Steel both outlined a	15	
10.33.284M 10	number of improvements or safeguards their company has	16	
17	committed to in exchange for this transfer agreement.	17	
18	If we do not process this transfer within that	18	
19	120 days, the transfer goes through and we lose those	19	
10:33:52AM 20	safeguards, improvements. If you're looking at the	20	
21	calendar and you're wondering why is this done so	21	
22	quickly during the pandemic, it's because we are acting	22	
23	within the time frame that the federal government	23	
24	provided to us.	24	
	22	1	24 CERTIFICATE
1	If you do have questions to raise, please,	2	COMMONWEALTH OF MASSACHUSETTS)
