

Pathways to City Contracting Opportunity Fair Info Sheet

Connecting with various departments within the City of Boston will be easy! See below for some tips and best practices to ensure a great experience:

- Representatives from the City of Boston will be available at the tables in the center of the room. See the next page for a list of departments.
- Double-click on the table you would like to visit.
- The perimeter tables, labeled 1-18 are ideal for networking or debriefing with colleagues
- Be sure to visit both floors to meet with all of the departments available to you.
- The platform we are using, Remo, does not work with the Internet Explorer browser.
- You will need an internet connection and camera to join. You will control your own mic and camera

FLOOR ONE

Be sure to visit both floors for additional exposure to departments!

Use these tables for networking or debriefing with colleagues.

Use these icons to turn your camera and mic on/off

Use this icon to chat with other participants

Use this icon to share your screen for presentations

FLOOR TWO

Use these tables for networking or debriefing with colleagues.

Use these icons to turn your camera and mic on/off

Use this icon to chat with other participants

Use this icon to share your screen for presentations
