

Boston Human Rights Commission

Accomplishments so far

- Public **Commission Meetings** (9).
- Identified 7 key areas of focus.
- Supervision of two PH.D candidates **interns** from Umass Boston.
- Hosted an **event** on January 14, 2021 on the marginalization, trauma and healing of black males in our city.
- **Staffing:** We posted one position online (Education and Outreach Manager). We will soon post the Investigator position. Our additional staff hires include Program Manager and Director of Research and Analysis.
- **Website:** This has been updated to to include our intake form, upcoming events and public statements.
- Initiated several **partnerships** with BPD and community organizations most recently in the space of Anti-Asian Hate.

Upcoming...

- Detailed report along with recommendations made to the City on closing the Digital Divide gap.
- Continued leadership work in regards to the Anti Asian Hate.
- Availability of the Anonymous Incident Report.
- Creating a safe space for our colleagues and friends to share their experiences with the ongoing violence targeting communities of Asian descent.
- Continued engagement in the LGBTQ community to create a lane that HRC can serve to support the community.
- Logo finalized at the end of the month.
