

NEIGHBORHOOD SLOW STREETS

Focus Area: South Street at Archdale Road

Our goals for this intersection are:

- ▶ Slow turning drivers on South Street as they exit the Arboretum
- ▶ Create safe crosswalks
- ▶ Allow left turns from Archdale Road to South Street

Concept design subject to change with advanced engineering

Our concept adds:

- ▶ Splitter island to clarify travel through the intersection
- ▶ Curb extension along South Street to prevent fast turns
- ▶ Curb extensions on the corner of South Street and Archdale Road
- ▶ Safe, accessible crosswalks
- ▶ Space to turn from Archdale Road to South Street
