**PUBLIC HEARING
BOSTON AIR POLLUTION CONTROL COMMISSION
December 15, 2021**

In accordance with the Procedures and Criteria for the Issuance of Parking Freeze Permits adopted under M.G.L. Chapter 111, Section 31C, Boston Air Pollution Control Commission will hold a **virtual public hearing at 11:30 a.m. on December 15, 2021** to review the following projects. There will be brief presentations followed by review of individual applications, and opportunities for public testimony.

Any matter posted as part of a public hearing may be deliberated on at a subsequent meeting.

APPLICATIONS:

Application for a Modified Downtown Boston Parking Freeze Permit from the United States of America in the Person of the U.S. Coast Guard to demolish and reconstruct a surface lot consisting of 427 exempt parking spaces located at 466-490 Hanover Street. This application is for a permit to operate in a surface lot with spaces to be used solely by personnel of the United States Coast Guard. Issuance of the permit would have no effect on the Downtown Parking Freeze bank.

Application for a New South Boston Parking Freeze Permit from Howard Stein Hudson on behalf of 202-204 West First LLC for 24 commercial parking spaces located at 202 West First Street. This application is to construct a garage with spaces to be shared between guests, patrons, and employees of the facility. Issuance of the permit would withdraw 24 net spaces from the South Boston parking freeze bank.

Application for a New South Boston Parking Freeze Permit from KRE 399 Congress Owner LLC to convert 10 spaces from residential use to commercial use in a parking facility with 144 parking spaces located at 399 Congress Street, with spaces to be shared between residents, guests, patrons, and employees of the facility. Issuance of the permit would withdraw 10 net spaces from the South Boston parking freeze bank. * *Continued to the January 12, 2022 hearing.*

Application for a Modified East Boston Parking Freeze Permit from VHB on behalf of Cargo Ventures LLC for 575 park and fly spaces. This permit is to relocate spaces from a surface lot at 320
