**PUBLIC HEARING
BOSTON AIR POLLUTION CONTROL COMMISSION
September 28, 2022**

In accordance with the Procedures and Criteria for the Issuance of Parking Freeze Permits adopted under M.G.L. Chapter 111, Section 31C, Boston Air Pollution Control Commission will hold a **virtual public hearing at 1:30 p.m. on September 28, 2022** to review the following projects to regulate and control air pollution so as to promote the public health and welfare of Boston residents.

Any matter posted as part of a public hearing may be deliberated on at a subsequent meeting.

1:30 P.M.

Discussion of straw proposals for the second phase regulations for the Building Emissions Reduction and Disclosure Ordinance. The second phase of regulations cover topics including the Review Board member nomination and selection process, compensation and meeting rules for the Review Board, designating a tenant as an owner, emissions factors, renewable energy purchases, blended emissions standards and other clarifying regulations as needed.

Discussion of environmental justice and equity metrics for the Building Emissions Reduction and Disclosure Ordinance. City staff will present initial research and recommendations for identifying appropriate metrics and research mechanisms for measuring and collecting this type of information and analyzing the impact of BERDO.

Translation and sign language interpreters are available upon prior request. The Commission may hold a public meeting immediately following the last hearing or as appropriate following any hearing. Copies of applications may be requested via email from apcc@boston.gov or viewed by appointment only at the Environment Department, Boston City Hall, Room 709, from 9 AM to 5 PM Monday through Friday. Questions should be directed to: APCC@boston.gov or 617-635-3850.
