

WATERFRONT SPACE PLANNING STUDY PUBLIC MEETING

RECEIVED

By City Clerk at 3:47 pm, Jun 26, 2023

Description

This is a meeting to inform the public of the launch of the Mayor's Office of Arts and Culture Waterfront Civic/Cultural Space Planning Study and the incorporation of the Related Beal civic/cultural space request for information into the larger space planning study. Participants are encouraged to learn more about the scope of work related to the space planning study. The primary purpose is to inform City of Boston residents, cultural organizations, and community groups of the space planning study.

The format of this meeting will include a 15-20 minute presentation from the Mayor's Office of Arts and Culture and the Related Beal team followed by a period for questions and answers.

Goals

1. Update the broader community on the MOAC Waterfront Space Planning Study
 - a. Goals of the study, timeline, consultant
2. Share the integration of RB process as case study in Waterfront Space Planning Study
3. Inform the public about Chapter 91/FPA Spaces
