

HARAMBEE PARK PHASE 4 – CONSTRUCTION UPDATE

PROJECT UPDATE

03/21/2024

Thank you for your interest in the Improvements to Harambee Park Phase 4 project.

GENERAL UPDATE:

- Phase 4 includes two new cricket fields – one is a competition field with field lighting and an electric scoreboard, the other is a practice field.
- The construction is on pause for the winter but will be starting up again in the next few weeks.
- Construction is anticipated to be completed in the fall of 2024. The fields will require additional time for the establishment of the turf and will remain closed until spring 2025.

WHAT TO EXPECT DURING CONSTRUCTION:

- During construction the access from the end of Westview Street to Talbot Ave. will be closed off. When coming from Westview Street, enter the park near the football field (across from Westview Way) and take the path through to Talbot Ave. From Talbot Ave. enter the park near the playground (across from Wales Street) and take the path through to Westview Street.

OTHER ITEMS:

Please use [311](https://www.boston.gov/contact/311) to document non-emergency issues relating to park use, and 911 for emergency situations relating to public safety.
