▶ Applicants whose projects are listed under this heading NEED NOT APPEAR at the hearing. Following the hearing, you will be issued a Determination Sheet to present at the *Inspectional Services Department (1010 Massachusetts Avenue)* as proof of project approval when applying for permits. *ISD personnel will send an electronic copy of your building-permit application to the commission staff for review.* (To avoid potential confusion, the text of your building-permit application should be consistent with the project description given below.) Commission staff will accordingly authorize the execution of the work, attaching any applicable provisos, reflecting the relevant guidelines and precedents.
