

NEW STREET OCCUPANCY PERMIT FEES

In effect on July 1, 2017

In December 2016, the Boston City Council voted and passed to amend the Street Occupancy Permit City Ordinance. The current Street Occupancy Permit Program has been largely in place since 1982 and these changes will be made to modernize the process to reflect the current state of the City of Boston

Effective 7/1/17, the fee structure for a street occupancy permit will be updated as follows:

- Base Fee: \$50
- Space Fee: ten cents (\$.10) per square foot each day for the first five hundred (500) square feet occupied, and five cents (\$.05) per square foot each day for any additional square feet occupied.
- The additional fees for signage (\$4 each) and occupancy of metered spaces (\$20 per meter per day) will be unchanged. **The cost of a moving truck permit will also remain unchanged.**

*Permits **applied for** prior to 5/15/17 will not be subject to the new rates upon renewals.
